MAY 2023

MAYbe it's time to take a month off...

Feeling beat after tax season? You're not alone!
After busy season, I'm simply in my *less-busy*
season!

Over the next few months, I'll be taking on new
clients, adjusting my working hours, and
enjoying some much needed time off.

I also want to take this chance to say **THANK
YOU** to all of our clients for making this spring
such a success!
